THE EASY OIL.

Scott's Emulsion is "the easy oil"-easy to take, easy in action. Its use insures deliverance from the griping and nauseating sensation peculiar to the raw oil. Nobody who has any regard for their stomach thinks of taking cod liver oil in the old way when Scott's Emulsion is to be had. It is equally certain that no one having a regard for their health will accept a cheap emulsion or alcoholic substitute for Scott's Emulsion. It fulfills every mission of cod liver oil and more.

TWO SLAYERS ARE SET FREE.

No Bills Are Found Against Hightow er and Purceli.

Atlanta, April 14 .- Among the forty cases which came up for investigation before the Fulton county grand jury Thursday morning, there were two which were the object of much interest, those of Walter J. Hightower and Frank Purcell.

No bills were returned in both these cases. Purcell had been released at a preliminary hearing, and Hightower, who had been kept in the Tower since the killing of Wilmouth, was made a free man Thursday.

The Hightower tragedy, which is most fresh in the minds of the people. occurred on the night of April 3. Ben Wilmouth, an old friend of Hightower, crazed with love for Hightower's sisman in her brother's presence, at 11 Hampton street. Hightower pursued Wilmouth with a pistol, and finally killed him with a knife.

Frank Purcell, a barber in the Piedmont hotel, killed his own father at the residence on Courtland street, when the elder man, in a drunken rage, attacked his wife and young Purcell's wife. In order to protect the two women, Purcell fired at his father, killing nim almost instantly.
